 Logan College of Chiropractic (Certifying Institute)
Diplomate, National Board of Chiropractic Examiners
 Issued 1981; Certification #16261

POST DOCTORATE EDUCATION

Residency - Chiropractic Orthopedics
 National University & Los Angeles College of Chiropractic Medicine
 Board Certified by Exam – Diplomate Status
 Bd. Certification #1845
 Certification of Completion #57
 1986
Fellowship - Medical Infrared Imaging
 American Chiropractic Association
 American Chiropractic College of Infrared Imaging (ACCII)
 Bd. Certified by Exam
 Diplomate Status
 1988
American Academy of Medical Infrared Imaging (American Herschel Society)
 Bd. Certified by Exam
 1990
International Thermographic Society
 Bd. Certified by Exam
 1986

Permanent Impairment Rating and Disability Evaluator
Los Angeles College of Chiropractic Medicine
Certification #22
Certified by Exam
1985

PRESENTATIONS

- "CRPS Type I – Evidence Based Diagnostic Guidelines"
Resident Training Symposium
University of Bridgeport
Bridgeport, CT 2018
- "Functional Infrared Imaging (fIR) – Best practice IR methodology for evaluating patients with presumptive CRPS"
International Consensus and Guidelines on Medical Thermography
University of São Paulo, College of Medicine
São Paulo, Brazil, November 2016 (*video presentation*).
- Keynote Speaker – White Coat Ceremony
Washington University Health and Science
College of Medicine
San Pedro Town, Belize May 2015
- "The Utilization of Functional Infrared Imaging Signature Index Protocols in Staging Patients with Complex Regional Pain Syndrome (CRPS)"
Twelfth European Congress of Thermology, Faculty of Engineering, University of Porto
Porto, Portugal, September, 2012.
- "Current Pathophysiological Concepts of CRPS"
Fifth Interdisciplinary Congress on Pain (CINDOR 2011)
University of São Paulo, College of Medicine
São Paulo, Brazil, June, 2011.
- "Recent Advances in Functional Infrared Imaging with Evaluating Patients with CRPS"
Fifth Interdisciplinary Congress on Pain (CINDOR 2011)
University of São Paulo, College of Medicine
São Paulo, Brazil, June, 2011.
- "The Utilization of Functional Infrared Imaging in Evaluating Patients With Presumptive Complex Regional Pain Syndrome (CRPS)"
International Consensus and Guidelines on Medical Thermography,
Fortaleza, Brazil, October 2010 (*in absentia*).
- "Cold Water Autonomic Functional Stress Testing Utilizing Real Time Dynamic Subtraction IR Imaging in The Diagnosis of Complex Regional Pain Syndrome"
11th European Congress of Medical Thermology
Mannheim, Germany, September 2009.
- "Functional Infrared Imaging in the Evaluation of Patients with Presumptive Complex Regional Pain Syndrome"
Presented to: Pinnacol Assurance - medical team and adjusters
Denver, CO, August 2009.
- "The Role of Cold Water Autonomic Functional Stress Testing and Evaluation of Patients with Presumptive CRPS-1"
New York University, School of Medicine
Conference: CRPS/RSD-Diagnostic/Technological Advances and Understanding Autonomic Function
New York, NY, May 3, 2008.

-
- "Current Pathophysiological Concepts in Complex Regional Pain Syndrome"
7th International Congress of Thermology and 33rd American Academy of Thermology
Congress, Auburn University, June 7-9, 2007.
- "ANS Functional Stress Testing in evaluating patients with CRPS" - Tampa General Hospital
Rehabilitation Center
University of South Florida Medical School
Tampa, FL, April 21, 2007.
- "The Role of Manual Medicine in a Multiple Disciplinary Worker's Compensation Setting,"
Denver Colorado, February, 2005
- "Functional Infrared Imaging in the Diagnostic Evaluation of Complex Regional Pain Syndrome,
Type I (Reflex Sympathetic Dystrophy) and Type II (Causalgia)"
The 26th Annual International Conference of the IEEE Engineering in Medicine and Biology
Society, San Francisco, CA., September 1-5, 2004.
- "Stress Infrared Telethermography Is Useful in the Dx. of Complex Regional Pain Syndrome,
Type I"
Presented to: 31st Annual Meeting of the American Academy of Thermology,
Auburn University,
Auburn, AL, April 15-18, 2004
- "Neurological Examination of the Chronic Pain Patient"
Capstone Chiropractic, Denver, CO, 2003
- "Daily Record Keeping"
Capstone Chiropractic, Denver, CO, 2003
- "Infrared Imaging in Diagnosis CRPS" – ACA, College of Infrared Imaging, 2002
- "Risk Management and Malpractice Avoidance Through Medical Record Keeping"
Presented to: The American College of Integrative Medicine
Albuquerque, NM, September 1998
- "Use of Infrared Telethermography in the Diagnosis of Type I Complex Regional Pain
Syndrome." Presented to: The North American Spine Society and The Japanese Spine
Research Society,
Hawaii, March 1997
- "Evaluation of the Central and Peripheral Nervous System."
Presented to: Colorado Chiropractic Society; Independent Medical Examination Course,
Denver, CO, March/April, 1997
- "Recent Advances in the Utilization of Infrared Imaging in the Evaluation of RSD, SMP, and
SIP." Presented to: American Academy of Medical Infrared Imaging, December, 1995
- "High-Resolution Thermography to Confirm the Diagnosis."
Western Pain Society Symposium, April, 1994
- "A Blinded Prospective Study of Sensitivity and Specificity of Thermography in
Multidisciplinary RSD Clinics." American Academy of Medical Infrared Imaging Conference,
April, 1993
- "Utilization of Infrared Thermography in the Diagnosis of Reflex Sympathetic Dystrophy."
Presented to: Council on Diagnostic Imaging, April 1993
- "Thermography in Diagnosing Segmental Dysfunction: Anatomy and Physiology."
Presented to: American Herschel Society, March 1991
- "Thermography: Differential Diagnosis and Treatment of Myofascial Pain Syndrome"
Presented to: American Chiropractic College of Thermology, July 1990
- "Thoracic Outlet Syndrome Update: Correlation with Thermography as a Diagnostic Procedure"
Presented to: American Chiropractic College of Thermology, July 1989
- "Medical Charting"
Presented to: El Paso County Chiropractic Association, December 1988
Colorado Springs, Colorado

- "Thermography: Fact versus Fiction"
Sponsored by: Colorado Chiropractic Association, November 1988
- "Thoracic Outlet Syndrome: A New Direction"
Presented to: International Thermographic Society, August, 1988, St. Louis
- "Thermography as it Relates to Orthopedic Findings"
Presented to: International Thermographic Society, March 1988
- Advanced Technician Training
Presented to: International Thermographic Society, March 1988
- "Physiological Rationale of Thermography"
Thermography: A Core Course - April 1987
Presented at an International Symposium on Thermography
- "Thermography: An Overview"
Presented to: Colorado State Chiropractic Society, April 1987
- "Thermography: Physiologic Rationale"
Presented to: International Thermographic Society, 1986
- "Thermography: An Overview"
Presented to: Jefferson County Chiropractic Society, 1986
- "Thermography"
Presented to: Trial Lawyers of the First Judicial District, Colorado
CUE credits approved
Lakewood, CO, 1986

COURSE PRESENTATIONS

- "IR Imaging in Evaluating Patients with Chronic Pain"
6-hour workshop to residents and physicians
University of São Paulo, School of Medicine,
São Paulo, Brazil, June, 2011.
- "Doctor Responsibilities' in a Workers' Compensation System"
Colorado Division of Worker's Compensation Level I Accreditation Course
Colorado Department of Labor and Unemployment
Division of Workers' Compensation
Denver, CO., 2003, 04, 05, 06, 07, 08, 09, 10. (presented 2x/yr)
- "Charting in a Hospital Setting - Daily Progress Note"
Presented at St. Mary's Medical Center Hospital, Evansville, IN
December 1997
- Logan University, College of Chiropractic Medicine,
Insurance Claims Consultant Course, 1990
- CUE accredited courses (approximately 400+ course presentations)
Presented at medical conferences in the United States, Canada, Brazil, Germany, Portugal:
Course topics:
Orthopedic Evaluation of the Spine
Pathophysiology of Chronic Neuropathic Pain Syndromes
Advanced IR Imaging Techniques in Neuropathic Pain
Peripheral Neuropathy Syndromes
Comprehensive Neuromusculoskeletal Examination
Narrative Report Writing
Charting – Daily Office Note
Documenting Patient Progress
